Development Service, Inc. Request for Adjustment of its Commercial Rate for Churches

Development Service, Inc. ("DSI" or the "Company") has filed a Request with the Public Service Commission of South Carolina (the "Commission") regarding approval for an adjustment of its commercial rate for churches. This Request was made pursuant to S.C. Code Ann. Section 58-5-240 (G). DSI is currently operating under a schedule of rates approved by the Commission on May 3, 2007, in Order No. 2007-314.

According to the Request, DSI's current schedule of rates provides for a monthly charge to all churches of \$26.48 without regard to consumption. DSI, however, alleges that its commercial rate for churches should conform to the Department of Health and Environmental Control's (DHEC) Guidelines for Unit Contributory Loadings to the Wastewater Treatment Facilities. DHEC's guideline for churches is 3 gallons per day per seat.

DSI proposes the following rate schedule for commercial church accounts:

Churches	
Seating Capacity of 132 or less	\$26.48 base
Seating Capacity in excess of 132	\$26.48 base + 20¢ per seat for seating capacity in excess of 132 seats
